

Copyright temicon

temilux®ID Pure from German temicon GmbH is an excellent choice for a broad range of luminaire solutions such as office areas, for pendants, signages and continued linear luminaires.

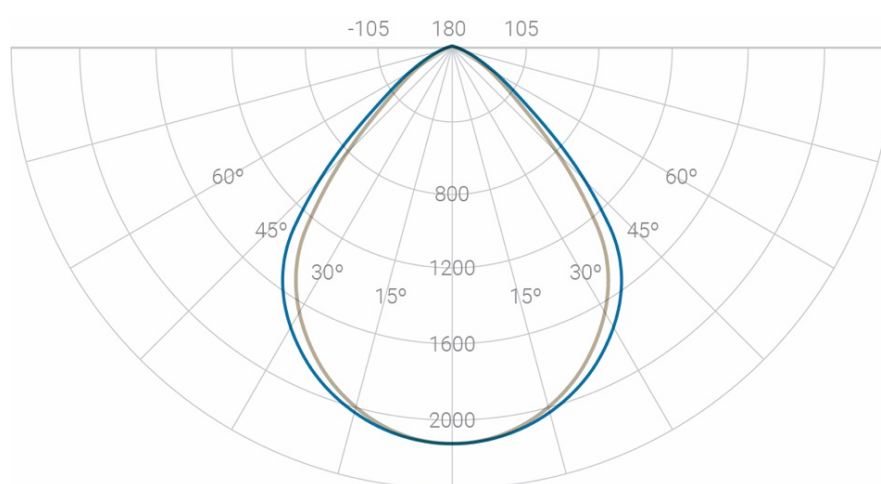

Advantages

- Invisible deglaring and diffuser in one-film
- Excellent deglaring performance
- No color shift
- Easy to clean surface
- 300mm or 630mm continuous on rolls

This micro-prism offers a highly innovative, invisible deglaring and diffuser function combined in one plate with excellent UGR values. The unique UV-imprint technology guarantees a 1:1 copy of the structure.
